

Activity Packet #3 Railroad

All Aboard! Did you know over a hundred years ago, trains were the most common way people traveled? Trains would help people get from place to place faster than a horse and buggy. Trains were also used to carry goods, or things that people were buying or selling. Mail and telegrams were also distributed through the depot by the station master. The Toledo and Western interurban engine is on display in the train barn at the historic village and used to run through Sylvania carrying passengers. Explore more about trains and the railroad through a crossword puzzle, word find, picture matching and more!

Color the picture of the caboose!
What else can you add to the picture?

Connect the dots to reveal special pictures!
Add the rest of the pictures using your pencil and color!
